**Torera Athletics:**

*"A Quiet Tradition of Excellence"*

## Head Coach John Martin

The 1989 season marks John Martin's 15th campaign as head volleyball coach at the University of San Diego. Martin hopes to see USD continue the Toreras' climb toward the top of the West Coast Conference.

John Martin is the only volleyball coach USD has known, having initiated the program in 1975. His teams have appeared in post-season play three times. In 1976, USD finished fourth at the AIAW Small College Nationals, while in 1977 and 1978, the Toreras finished fifth at the AIAW Western Regionals.

Under Martin, the USD program has grown from NCAA Division II status to its present Division I membership. He has seen the team graduate from an independent status to affiliation in the West Coast Conference.

John is a graduate of San Diego State University, having earned both a B.A. (1972) and M.A. (1974) in History. He resides in Encinitas along with his wife Jane, and their daughter, Eliza, and son, Patrick.

## Assistant Coach Pat Hogan

Pat Hogan returns for his third season as Head Coach John Martin's assistant. Prior to beginning his coaching stint at USD, Pat was an assistant coach at San Diego Mesa CC. He attended both Mesa and San Diego State University.

During the off-season, Pat is an assistant coach with the Mount Carmel High School boys' volleyball team. He is single and lives in the Clairemont area of San Diego.

## 1989 Season Outlook

Head Coach John Martin and his squad approach the 1989 season with "guarded optimism". While he returns several key outside hitters and middle blockers, he feels that "as many as four" of five freshman recruits may find their way into the starting line-up.

Leading the list of returnees is junior middle blocker **Angie Rais** (5'10", Anchorage AK). Rais led the Toreras in 1988 with **96** solo blocks while also recording a team-high **299** kills. She will be joined at the spot by fellow junior **Suzanne LeSatz** (6'1", Phoenix, AZ), who was second on the team with **90** solo blocks while registering **99** digs. Junior **Kathleen Hayes** (6'1", Canoga Park, CA), should provide additional blocking help.

Senior **Cindy Silldorff** (5'11", Walnut Creek, CA) heads the list of improving outside hitters. Silldorff, who set a national high for hitting percentage with her 11 kills in 11 attempts performance against the University of San Francisco, recorded **171** kills and had a hitting percentage of **.165**. Joining Silldorff on the outside will be a pair of sophomores — **Kellie Logsdon** (5'9", Los

Angeles, CA) and **Vanessa Rothe** (5'11", Laguna Beach, CA). Appearing in 41 games in 1988, Logsdon registered **19** kills and **31** digs; Rothe, **6** kills and **16** digs. She had a hitting percentage of **.278**.

The setting will be done by a pair of freshmen — **Kristi Harris** (5'6", El Toro, CA) and **Shannon Mutch** (5'5", Newbury Park, CA). Harris was an all-league selection while at El Toro HS. Mutch prepared for her collegiate career while playing for the Zuma Bay volleyball club.

Two other freshmen should receive quite a bit of playing time early in the 1989 season. **Heather Dalley** (5'7", Los Angeles, CA) was an all-CIF (4A) selection and was her team's MVP. **Maria Rickard** (5'10", Santa Barbara, CA), was a second team all-CIF (5A) choice who also played for the Ojai Volleyball Club. One other freshman, **Andrea Burns** (5'9", Apple Valley MN), will further strengthen the outside hitting position.

How will the Toreras fare in 1989? Will the expected improvement continue? Can the Toreras reach and surpass a .500 season? The answers to these and other questions will be the mission for John Martin and his Toreras. The search should prove to be interesting.
